

1890

Dec 7th Many children are still absent through sickness & several of the Infants have left for the winter.

Dec 12th The attendance is still very bad. Av: 30.4. Three children left this week

Dec 13th A Wet morning only 18 present

Dec 14th Several families still away through sickness.

Dec 16th Snowy morning, 23 present. gave a quiz in each class to the most regular attendees twice the exams.

Broke up for Christmas Holiday of two weeks.

1891

Jan 5th Resumed duties this morning only 31 present.

Readmitted the Tomlinsons who left on Oct 13th 1890. They

1891

have been suffering from Whooping Cough. Both Mary & John are ~~do~~ working with the same class as last year. as, owing partly to their long absence from school, they are not equal to the work of a higher standard. Rev J. B. Barrett visited.

Jan 8th
Jan 9th

The attendance, which has been very low all week, owing to the bad state of the roads is still worse this morning as there has been another fall of snow.

Average for the week 22.7

" "
Jan 11th

Attendance still very low owing to the bad roads

Jan 16th

Average this week 27.6
