

1891

Jan 19th The weather is still extremely cold consequently the children living at a distance are kept away from school; making the average very low.

Jan 21st Several children away through sickness also many absent owing to the inclement weather. 19 present.

Jan 23rd Took copybooks for last lesson. The Average Attendance is the lowest this quarter. (21) This is owing to the stormy weather & bad roads, also to sickness among the children.

Jan 30th Attendance greatly improved Av: 33.2. Visitor Rev. J. S. Barrett. The Reeves are absent owing to their having Typhoid fever in the house.

1891
