

1882.

Took writing in 1st class instead of reading in order to pay attention to 1st standard who appear backward.

January 24. Mrs & Miss Woffen visited the school to day.

January 30. The attendance this morning was very poor owing to the bad weather & damp roads. The children had no play this morning as it was so damp.

January 31. Many children are still absent suffering from bad colds. J. Whinnie the visiting Coffin called this afternoon & took a list of irregular children.

Mrs. Woffen visited the school this afternoon & examined the sewing of each child that is being done for the Inspector.

The attendance though poor is better than yesterday, there being 12 more present both morning & afternoon.

1882.

Gave a lesson on the number of nouns & pronouns to Merchants III & IV. also a short lesson on easy parsing.

February 1. The Rev. F. J. Woffen visited the school this morning. The attendance this morning was 40, an improvement on that of the two preceding days.

Feb. 2. Took words as last lesson in class I instead of lesson stated on Time Table.

Feb. 6. Took arithmetic as lesson in class I instead of reading.

The Rev. F. J. Woffen visited the school this morning.

Mrs & Miss B. Woffen visited the school in the afternoon.

The attendance to day is greatly improved there being 49 present morning & afternoon. Several children came this morning who have ^{not} been here since my coming here in January.
