

1882.

April 6. Broke up the Easter holidays
this afternoon & took lessons
instead of sewing.
Dofau school sat me & left at
three.

April 14 Commenced school again this
morning.
Took lessons this afternoon from
1-30 to 3 in place of sewing.

19 The Rev. F. G. Mofau & Mrs.
Mofau visited the school this
afternoon

21 Mrs & Miss Mofau came this
afternoon & stayed to hear the
singing.

24 Took Arithmetic in Pt. II in
place of geography.

1882.

April 24 This morning, 66 children were present
in school, the largest attendance there
has been since my appointment.
Several children have returned this
week who have been away 3 or 4
months.

Taught a new song "O what can
with our glory praise compare."
The Rev. F. G. Mofau visited the
school this morning.

April 28 The Rev. F. G. Mofau this morning
examined No. 14. III. II in detail.
The average this week was larger than
it has been since last May, 59-59.

May 1 Filled up a paper from E. Question
Dept.

Complained to the Rev. F. G. Mofau
that it was impossible to teach
the older children in comfort, while
Rebecca Bangh took charge of infants.
