

June 30 The children had a half-holiday this afternoon instead of on Wednesday.

July 3 The attendance was rather small this morning, as several children were being kept at home to help with the hay & there were gone to Liberty Beach.

July 4 Occurred to try the historical & geographical readers & commenced with reading to the New-England.

July 4 The Rev. G. F. Moran called.

July 14 Took spelling in the 1st class instead of reading in order to take arithmetic with some dull children.

14

The attendance was small again this morning owing to its being a busy day.

July 14 Admitted to day three children, all under seven.

July 20 The attendance to day was very poor among the older children, especially in the afternoon, on account of their helping with the hay.

The Rev. G. F. Moran visited the school this morning.

Many children asked to leave before time this week.

I gave a writing lesson to the infants on A, a, & pointed out to Ethel Mearns that a great many children formed the letter v the wrong way.

July 21 The Rev. G. F. Moran called this morning.

26. Took arithmetic in place of geography this afternoon in class & there being no boys present.
