Nov<sup>28</sup> I called over the Children's names this morning & found the entries in the Registers correct. L. F. Morgan

Dec. 1 A very foggy morning; many children late.

" 4 A miserable wet morning; 45 marked present. Admitted a new child, aged 3.  
The Rev. L. G. Morgan called this morning.

5 A very bad morning; only 33 present.

Dec 6. A very bad morning; only 28 present all day.

No "Natural History" lesson was given to day, as no few infants were present.

" 7 There was no school this morning owing to the very deep snow. 12 were marked present in the afternoon.

8. Only 8 children were present this morning. Snow very deep.

9 children marked this afternoon. so taught them in the house.

School opened only 9 times this week; average only 26, owing to the very, very deep snow.
