

14 Attendance slightly improved this morning; 34 present.

15 Attendance very small this afternoon took writing in place of lessons stated on "Time Table".

14 Attendance very poor all week owing to its being Turkey Feast & sickness being prevalent as well.

Took copy books first lesson this afternoon as there was so small an attendance.

Put notes after absences; The Rev. J. S. Myer agreed that no Open Bank or National Bank children should return till after the harvest holidays.

20 Attendance greatly improved to day 44 present, all "General & Handy" children.

Report for 1883

"Mixed school" Some improvement appears in the condition of this school but the Standard Book is still imperfectly prepared. Reading in the 1st Standard, Arithmetic in the Second & fourth Standards needing special attention. The English was fairly said, but the Grammar has been too little studied. More practice in composition is wanted. The Order is satisfactory & signs of fair character with capacity of improvement in style. "Defunct school" Rudiments of
