

1888.

June 25th The Annual Inspection of School took place.

June 26th Rev. G. Sewell visited the school in the morning, to see the Swedish drill; children then dismissed for holiday.

x S. H. Barke not being old enough to be recognised under Art. 41 is only accepted as a candidate on Probation.

Aug. 6th

Took charge of this school for two weeks in place of my sister J. Stansfeld, who has been obliged to resign through ill health.

Margaret Stansfeld.

Copy

H. M. Inspector's Report for 1888

"The efficiency of this school is increasing. Reading and Writing are quite satisfactory, but Arithmetic is weak in the upper Standards.

Grammar in the third and sixth Standards was of small value, otherwise the English was good.

Order and Needlework are very satisfactory. Singing is of fair character."

S. H. Barke is recognised under Article 40, but should attend to Arithmetic
