Dear Lady Carnarvon
excuse me writing to you
i have ^{been} served with a notice
to quit from Mr Mellors
i dont know wether it is
with your consent last rent
day i could not find all the
rent money we paid what
we could Trade is that had
we should have paid it of
before now if i had been

working anything like full
time i take it very hard
as i worked ten of the best
years of my life on the estate
and now have to go miles
looking for work and cant find it
when i was told a little over
3 years since to look for work
elsewhere i understood that when
there was any work on the
estate i should have it
instead of that it has been
let for all that i should
have paid if i could

Dear Lady will you
please let ^(me) know if it is
your wish for us to leave

Yours respectfully
