

The Manor House,  
being so long unoccupied  
makes a great difference  
to our finances; when  
Lady Carraroon  
comes into residence  
this difficulty will  
be removed.

With kind regards

Yrs very truly

respecting the rail Co

TELEGRAMS  
TEVERSALE

18th June 1895 From Mr. Barrett  
to Mr. Wright, Teversal School Managers  
18th June 1895

TEVERSALE RECTORY,  
MANSFIELD,  
NOTTS.

Dear Mr. Wright

In answer to your  
question "Who are the  
Managers of the  
Teversal School, &  
how are they elected"  
I beg to say that the  
people's Church Wardens  
Mr. Jiggford - My Son  
& I are the present  
Managers - When a  
vacancy takes place,

it seems to have been  
the custom for <sup>the</sup> other  
two to elect the  
third - Can you  
inform me where  
the Trust deed of  
the School, is? I asked  
this question of the  
Morgan, but they  
<sup>never</sup> heard of one - It must  
be in existence, but  
like the parish  
map

it has not been seen  
for many years -  
The Church expenses  
have been mainly  
defrayed by Collections  
in Church - When  
extra expenses has been  
incurred, I have  
always found the  
people ready to give,  
for this reason I do  
not wish to ask them  
in hard times, unnecessary
