A. WELLS, *Scout-master.*

The Teversal Boy Scouts were present at the King's Visit in Nottingham. Their position was in Wollaton Park, with the Nottingham Scouts.

TEVERSAL DAY SCHOOL.

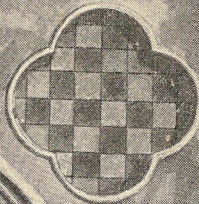

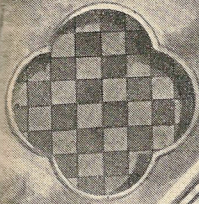

Religious Knowledge Report.

All the classes were carefully taught. In Standard II. the Repetition was a little shaky, but in everything else the work was done with thoroughness throughout the school. The hymns were sung in a pleasing manner, and pains had been taken to interpret their meaning to the scholars. The scholars showed a good knowledge of the Commandments, the Beatitudes, and the leading practical lessons embodied in the Narratives. The teachers had evidently a sympathetic interest in the truths they were teaching, and enduring results will doubtless appear in years to come.

Report on Instruction in Nature Study.

The Nature Study is well and suitably arranged and the children are much interested in their work. The Drawing and Brushwork is very pleasing and a special feature is the excellence of the calendars made by the children. The Infant Curriculum is very suitable.

Esther Darby has gained a first prize for Composition, given by the publishers of the *St. George's Magazine.*

We have been out here since the first, and of course our clothes have had a lot of knocking about, so that we can appreciate the kindness of people that have sent us warm clothes out.
