The letter following was addressed to Teversal School:—

DEAR FRIENDS,—

I have the greatest of pleasure in thanking you all for the gift which we received last night. It could not have been a better present for the boys. You should have seen the happy lads when it was opened and distributed to us. To think of the great effort that must have been made by every one of you! It shows that we are not forgotten by those at home. The best of all is, I know Teversal so well, as I live at Pleasly, and used to work at the Pleasly Colliery. I have been out here since August, and have had a few ups and downs. We are still in action. I am expecting leave soon, and would like to thank you all personally if convenient for me.

I am,

Yours truly,

TOMMY ATKINS.

Would you, please, read this small letter out before the children, as they will know how much we appreciate the present.

My home address is: Driver H. Bloxham, No. 65,814, R.F.A., 107 Brigade A.C., 25, Clarence Street, Pleasly Hill, Mansfield, Notts.

TO DORIS E. TAGG.

I know not to whom I have the pleasure of writing these few lines, but as, enclosed in a pair of socks, I found a slip of paper with your name and address, I felt the least I might do was to write and thank you for the trouble (or pleasure ?) it may have put you to in knitting them. It is indeed very good of such girls or young ladies like yourself to spend some of your leisure time in making useful articles of clothing for the soldiers out here and in France. I have been here since the beginning of last December, previous to when I was in France serving with the battalion. Out here it is indeed very fine weather, and later on I guess we shall be having some heat. There are very many English ladies and gentlemen staying in the town, and who do much good work with the various hospitals and convalescent camps. I am pleased to tell you I am keeping in very good health, and in conclusion you will kindly accept my best wishes.

I remain,

Yours respectfully,

JACK GARRIE.

DEAR MISS REEVES,—

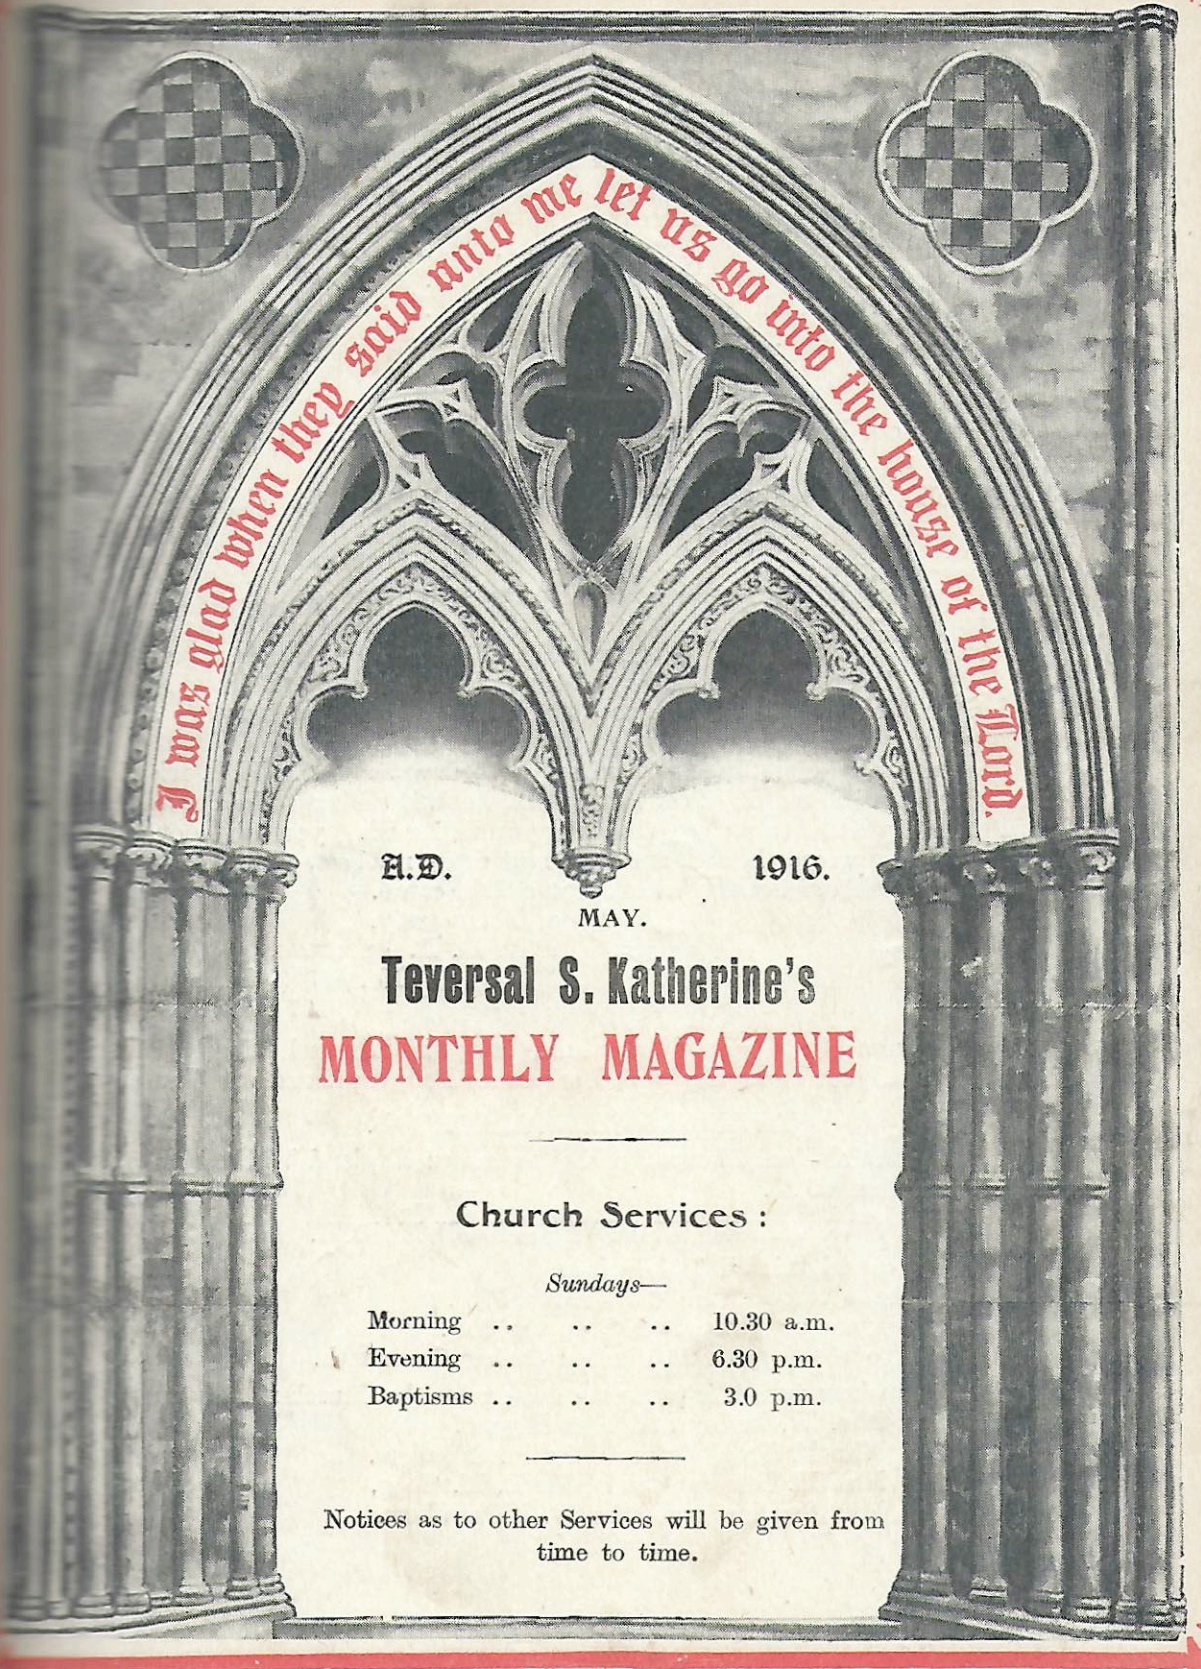

I have been the lucky one to receive your beautiful knitted scarf, and I beg leave to thank you most kindly for same. We give our best thanks to those who gave flowers and helped to decorate the Church for Easter Day.

The following letter has been addressed to the Teversal Day School children—  
*April 19.*

DEAR FRIENDS,—

I am writing to thank you all for the present you were so kind as to send out to me, and I can tell you that the parcel could not have come at a better time, for we had not hardly a single cigarette in the whole camp. And then we came out for a few days' rest, but we are now in action again, and expect to be till it is all finished. I think the end will come sooner than some expect, but it will be a great struggle, but we shall win, we have so much faith in victory.

It would not be an English Tommy to be downhearted. Well, friends, I can't tell you much more; of course you will know it all has to be censored, so I will bring my letter to a close, thanking you all for what you have done for a Tommy who answered the call, and I am still doing my best, as we know we are fighting to uphold our Country's honour in a right cause.

Bernard Porter has received the following letter from Sergt. J. Grant :—

12569, A. COY., 9TH SHERWOOD FORESTERS,  
 EGYPTIAN EXPED. FORCE,

*April 18, 1916.*

DEAR BERNARD,—

Thanks ever so much for lovely box of cigarettes, it is so very kind of you to think of me in that way ; I enjoyed them ever so much, so did my pals.

Sorry to say that I do not remember you, but I know your Mother, Grandma, and Uncle well ; I passed your house every morning going to school. So you will soon be nine years old, Bernard, I must wish you many, many happy returns of the day, and I hope that you will be a good boy for your Mother's sake. Sydney, I hear, is going to Sutton school now ; it will be quite a long walk for him. Your father is in the Navy, isn't he, Bernard ? You will be proud of him, I know. The Navy have done grand work out here, and when I come to Teversal I will explain to you how they helped us at Sulva Bay.

Please remember me to all the scholars at Teversal School, also Miss Clarke and Miss Lindley.

It is very warm indeed out here, of course I am not allowed to tell you where we are, but if you go to my Mother she will tell you, and then you can look it up on your map. We are quite a long way from any town, but we are all quite happy and fit.

I often think of the happy days I spent at Teversal, and live in hopes of coming back in the near future. Both my brothers are well, in fact I have never seen them look better—perhaps you will know them. Sydney and Alfred Froggatt are here and they are quite well, Sydney looks ever so much better than he did when at Teversal. Well, Bernard, there is very little I can tell you this time, but I will write to you again.

Again thanking you for your kindness, also wishing you the best of luck, with kind regards to your Mother, Grandma and Uncle, also accept the same yourself.

I remain,  
Yours sincerely,  
J. GRANT.
