Hon Secretary Tversall cricket Club

To the Right Hon Countess Dowager of Carnarvon
The Manor House Tversall
Nr Mansfield

Madam

Tversall Cricket Club Ground

at a meeting of the Committee held last night the
President Mr Piggford in the Chair the new draft agreement
submitted by you was duly considered but the conditions
therein laid down are so very extraordinary and in our
opinion so unnecessarily stringent that it was felt we could
not accept such onerous responsibilities as you wish to enforce
and it was therefore unanimously resolved to determine our
tenancy of the ground now held under you as soon as we
can legally do so, and secure another ground where we
hope to have less onerous conditions to fulfil

Your faithful Hon sec
A Devonport
